

ONONDAGA COMMUNITY COLLEGE

LEARN 2 RIDE, INC. TM

The Motorcycle Safety Foundation's Experienced RiderCourse

The Motorcycle Safety Foundation's **ERC** consists of approximately **5** hours of on-cycle range instruction and practice, utilizing the student's own street-legal motorcycle, and includes brief facilitated discussions relating to street riding.

The MSF's **ERC** range activities practice slow speed control, limited space maneuvers, cornering judgment and finesse, braking quickly--straight-line and curves, and swerving to reinforce the skills found essentially absent in accident involved motorcyclists.

The MSF's ERC is also an excellent refresher course for the Licensed Returning or Re-Entry Rider to improve his/her skills and techniques to regain confidence and control prior to becoming involved in today's faster, more congested riding environment.
